

CALIFORNIA COMMUNITY COLLEGES SCHOLARSHIP ENDOWMENT

www.SUPPORTtheENDOWMENT.org

AN UNPARALLELED, PHILANTHROPIC RETURN ON INVESTMENT

Today, approximately half of all California Community College students struggle to make ends meet, and as a result, many of these students are forced to abandon their education. With an initial gift of \$25 million to the California Community Colleges, The Bernard Osher Foundation launched the California Community Colleges Scholarship Endowment Fund to support these students and to inspire others to support community college students in California. As a part of this gift, the California Community Colleges and the Foundation for California Community Colleges are challenged to raise up to \$50 million in order to receive a maximum matching commitment of \$25 million from the Osher Foundation.

\$100 MILLION SCHOLARSHIP ENDOWMENT CAMPAIGN

- This means that for every \$1 donated to the California Community Colleges Scholarship Endowment, 50 cents will be matched and held in the Endowment.
- 100% of every dollar donated goes directly to funding \$1,000 student scholarships, every year, in perpetuity.
- As a donor, you have the option of designating scholarships to students in specific areas of study and for a college(s), district and region of your choice and naming the scholarship as you wish.
- A minimum \$13,334 contribution, matched 2 to 1 by the Osher Foundation, results in a total of \$20,000 held in the Endowment and one, \$1,000 scholarship each year, in perpetuity.
