The Foundation for California Community Colleges has been fiscal sponsor to dozens of projects since 2000. Our fiscal sponsorship services allow charitable education projects, both nonprofit and governmental, to focus on program activities and leverage additional support while the Foundation provides efficient back office support to manage grants, contributions, and earned income.

**Services Available**

**Grant Management Support**
- Technical assistance
- Budgeting
- Proposal and report review

- Integrated payroll systems management
- Full suite of Microsoft Office products

**Sponsored Programs**

The Foundation considers projects that align with our mission to benefit, support, and enhance the California Community Colleges. The following are examples of programs that are fiscally sponsored by the Foundation.

- **Acceleration in Context**: Aims to introduce accelerated curriculum and pedagogy into a broad cross-section of disciplines and programs across the state.
- **California Acceleration Project**: Works to increase the proportion of community college students who complete transfer requirements in math and English.
- **California AfterSchool Network**: Provides the resources necessary to build high quality expanded learning programs.
- **California Colleges Guidance Initiative**: Provides information on California’s public and private higher education systems.
- **California LAW**: Builds a diversity pipeline into the legal profession.
- **Career Ladders Project**: Strengthens the role of Community Colleges in providing education and career opportunities.
- **Deep Tok**: Provides students with mentors and resources to achieve educational goals.
- **Educational Results Partnership**: Supports partnership for achieving student success through Cal-PASS Plus, which links student performance from pre-K through college to the workforce.

Our ecosystem of projects receive a wide range of philanthropic and other funding support:
- California Department of Education
- Bill and Melinda Gates Foundation
- College Futures Foundation
- The James Irvine Foundation

**Value-Added Optional Services**

The Foundation also offers a variety of optional services to best meet project needs:
- Website development and maintenance
- Marketing, creative design and branding
- External relations
- Event planning
- Meeting facilitation
- Computer programming and support
- Call center and bilingual call answering
- Endowment management
- Program planning
- Program implementation
- Administrative services
- Office space
