Clean Mobility Student Ambassador Fellowship 2026-2027

The Clean Mobility Student Ambassador Fellowship Program is a statewide leadership and workforce development initiative that uses applied learning and the practice of creating shared spaces where policy, academia, and community knowledge meet on equal footing to prepare California Community College students for a climate-ready future. Fellows will build core competencies and skills to understand, engage with, and strengthen mobility access, clean air technology, and community resource systems across their campuses and communities.

Program Structure:

- **Orientation meeting on October 23, 2026**
- Spans from mid-October 2026 through June 2027 (9 months)
- Award distribution of \$5,000
- Monthly group meetings and individual check-ins with Foundation for California Community Colleges (Foundation CCC) staff
- Monthly check-ins with Capstone Project Partner

Eligibility:

- Fellows must be one of the following:
 - A current California Community College student;
 - A California Community College student who graduated from or transferred out within the past year
 - If transferred or graduated, be within the first year of transfer/graduation
 - Be at least 18 years of age at the start of the fellowship term
- Be available for the full nine-month term
- Attend or reside within a priority area as determined by the funder, with recommendations from the FoundationCCC team

Program Objectives:

- Build fellows' knowledge of clean mobility, air quality, and environmental justice issues affecting their communities
- Develop leadership, communication, and analytical skills through a structured, cohort-based experience
- Connect community members to clean transportation resources and incentive programs
- Apply learning through a hands-on Capstone Project guided by a local Capstone Partner
- Strengthen professional skills through resume building, mentorship, and networking opportunities
- Prepare students for career pathways in clean mobility, air quality, and environmental justice work
